Dear Akbar Bhai and Amir Bhai,

Please see below email and the attached offer. I have discussed with the Dr Martin on this but I want to help me out with the calculation and let me know which one is best financially.

We can decide on any of the invoice, but I will suggest we go for the number 2 on the table. However, I am happy with any of the decision made.

Please this is very urgent as we need to protect our files on the server.
